Dr. Judith Acres, Executive Director

By creatively linking the earliest music to the most modern, by providing a detailed historical context for the pieces performed, presented in an accessible format, and by striving to discover and engage both young and more mature singers who are Charleston residents through open auditions, **The King's Counterpoint** presents programs that are designed to both entertain and inform – not only its audiences, but its members, as well.

### WHO WE ARE

Based in Charleston, SC, and comprised of singers from in and around South Carolina, The King's Counterpoint is a professional vocal ensemble specializing in the performance of sacred and secular music from the Medieval to the modern, combining polyphony, literature, art and dialogue to create exceptional music presented within an historical context. Under the leadership of Musical Director David Acres and Executive Director Dr. Judith Overcash Acres, The King's Counterpoint explores the variety and beauty found in *a cappella* vocal music: from chant to 20th-century, medieval carols to the avant-garde, The King's Counterpoint is committed to bringing Charleston audiences delightful programs designed to entertain, educate, and above all to stir the soul.

### THE NEED

A Registered 501(c)3 Non-Profit organization, The King's Counterpoint needs ongoing support from the Charleston community to fund its concert events. The cost of staging each event ranges from \$7000 to \$20,000 – there are multiple behind-the-scenes expenses, everything from purchasing water bottles for the performers to custodial fees, from program printing to the cost of publicity. So any amount of tax-deductible support we receive is not only needed, but is greatly appreciated – and helps The King's Counterpoint continue to make beautiful music in Charleston!

### THANK YOU!

In return for your tax-deductible donation to KCP you will receive mention on our website and concert programs (unless you wish to remain anonymous), as well as in some cases tickets to upcoming events on request. The benefits of each level of giving are outlined on our website, [www.thekingscounterpoint.com](http://www.thekingscounterpoint.com), or you can phone our offices for more information at 216-217-7721. We hope you'll consider giving generously to support The King's Counterpoint!
